31st ANNUAL MISSISSIPPI STATE MEETING MASK MANDATE OMEGA PSI PHI FRATERNITY

In our effort to ensure and protect the health and safety of those Brothers traveling near and far to share in our 31st Annual Mississippi State Meeting, we have opted to take a few preventive measures.

As we continue to monitor COVID-19 numbers globally and domestically, we have paid keen attention to the uptick in pandemic infections throughout the country. The data has been shown that compared to earlier 2022, the number of cases has increased, and we see a strain being placed on the local health resources.

Based on the recommendation of the OPPF COVID-19 Task Force and the International Medical Health Initiatives Committee, and after careful and thoughtful discussion among our leadership, we thought it prudent to implement a mask mandate for all State Meeting attendees. Concerning the mask mandate, you should know:

- Each Brother and attendee **MUST** wear a properly fitting mask over the mouth and nose indoors at the events.
- Brothers who refuse to wear a mask will be asked to leave the facility.
- Ideally, an N95 and KN95 mask should be worn, but a medical mask or other properly-fitting and adequately worn mask is acceptable.
- Brothers are asked to bring a supply of masks to the State Meeting for personal use.
- In the event you need masks. The Fraternity will have masks available for your use.

Brothers, thank you for your support and compliance, as we attempt to remain safe and Covid-free.

MANHOOD, SCHOLARSHIP,

PERSEVERANCE, AND UPLIFT
